The Club Experience.

Boys & Girls Clubs fill the gap between school and home. We provide welcoming, positive environments in which kids and teens have fun, participate in life-changing programs, and build supportive relationships with peers and caring adults.

1824 Youth Served = **610** Registered Members + **1214** Youth Served Through Community Outreach

Member Demographics.

73% Ages 12 and Younger

42% of Club teens are more likely to volunteer

44% of Club members have an increased sense of belonging

60% Qualify for Free or Reduced Price School Lunch

46% Live in Single-Parent Households

Demonstrating our positive impact.

Academic Success

The Need
12% of Wisconsin students fail to graduate from high school on time.

What we do
Our educational programs help ensure kids will be successful in school, target summer learning loss, and prepare them to be globally competitive graduates.

Our Impact
Among our teen-aged Club members, 100% expect to graduate from high school, and 82% expect to complete some type of post-secondary education.

Good Character & Citizenship

The Need
Many children have a negative perception of police that has existed over the past few years due to violence in communities.

What we do
Our leadership programs empower youth to become good leaders and citizens with a passion for helping and learning more about others.

Our Impact
15 Keystone members will be taking part in the National Keystone project. This project will consist of an open dialogue and obstacle course with area police officers to gain insight on the life of a police officer. Because of this project Club teen members are feeling more positive about the police force in our community.

Healthy Lifestyles

The Need
12% of youth ages 6 to 18 in Wisconsin are overweight or obese.

What we do
Our programs help youth engage in positive behaviors that nurture their well-being. Club members learn how to manage stress, demonstrate good teamwork, eat right and keep physically fit.

Our Impact
71% of Club members report engaging in moderate to vigorous physical activity on five or more days per week.

The Boys & Girls Club of the Tri-County Area is dedicated to providing youth with quality, educational programming, healthy meals and snacks, scholarships and so much more! These services are opening doors to GREAT FUTURES.

As we celebrate our 20th anniversary this year we begin preparing for another 20 years. We are focused on providing more services; increasing the number of members; and improving the academic success programs at the Club. We are specifically focusing our attention on STEM programming and closing the skill gaps for employers by helping teach teen's employable skills.

We will be able to accomplish these goals with dedicated staff, sufficient funding, and strategic partnerships. In order to keep our doors open to hundreds of area youth who need us most, each year we launch an annual campaign to help offset some of these costs.

Please consider making a donation to our 2017 Great Futures campaign. Your kind and thoughtful gift will provide many opportunities for area youth. In fact, nearly 2,000 youth will be positively impacted by your generosity through membership and community outreach.

We thank you in advance for your consideration in helping us fulfill our Boys & Girls Club mission of improving the lives of children and their families.

Sincerely,

Jason Presto, Executive Director

Matt Chier, Board President
