

BOYS & GIRLS CLUB
OF THE TRI-COUNTY AREA

Fall Programming 2021

Berlin Site FAQ

Q. How many children will the Club serve this fall?

A. Following Green Lake County Health Department's guidance, the Club will continue to serve youth in groups of 25 max. Spots for enrollment will be prioritized for elementary students first.

Q. What will programming look like for middle and high school students?

A. Middle and high school students are able to enroll in the Club, but will be required to participate in *scheduled* afterschool programming provided by the Club. Middle and high school students will remain within their assigned group from 3:30-5:30 pm. Additionally, teen programming will be offered and will require an RSVP to attend. Dates and times to be determined.

Q. Will busing be available for my student?

A. The school district will be providing busing to the Club each day after school. Families will be required to identify the Club as their child's drop off location using the school's transportation app, Pickup Patrol. Students without a CURRENT REGISTRATION for the 2021-22 school-year for the Club and busing to the Club **will NOT** be allowed to ride the bus to the Club.

Q. Can my student participate in afterschool programming if he/she does not attend in-person class on any given day?

A. Students who are signed up for in-person class must be present in school in order to attend after-school programming at the Club. Students who are signed up for virtual instruction may participate in after-school programming so long as they arrive promptly at 3:30 pm and stay until at least 5:00 pm.

Q. What important changes are taking place at the Club around serving during the COVID-19 Pandemic?

A. There are several procedures that have been put in place during this time. Important to note that we are currently LIMITING GUESTS allowed into the building, this includes volunteers, mentors, and parents/guardians. All guests must have an appointment to enter. All students registered for programming must attend on their scheduled days in order to maintain their spot. Students will be grouped by grade/age in groups of no more than 25 students and groups will remain in the same program area each day for programming. Masks are required for all children and staff while in programming. Masks are optional outdoors.

Q. What is the pickup procedure for students who attend after-school programming?

A. While we adhere to our limited guest policy, pick up for students will be done in a drive-thru fashion. Pick up times each evening are from 4:45-5:30 pm. Students will NOT be released from programming prior to 4:45 pm. Parents/guardians will be assigned a code # at registration. When parents/guardians arrive in the Club parking lot they will call the Front Desk to notify them of their arrival. Their student(s) will then be escorted to their vehicle for pick up. For a complete list of our policies and procedures, please refer to our website, bgctric.org.
